Additional Information About Your Federal Tax ID Number / EIN / TIN

When Can You Use Your EIN?

This EIN is your permanent number and can be used immediately for most of your business needs, including:

Opening a bank account
Applying for business licenses
Filing a tax return by mail.

However, it will take up to two weeks before your EIN becomes part of the IRS's permanent records. You must wait until this occurs before you can:

File an electronic return
Make an electronic payment
Pass an IRS Taxpayer Identification Number (TIN) matching program.

Thank you.
